PREPARING YOUR HOME FOR PHOTOGRAPHY:

EXTERIOR

- Mow and rake yard.
- Contain pets in the garage or out of sight.
- Remove all vehicles from driveways and do not park directly in front of the house.
- Move garbage cans out of sight.
- Remove all garden tools including hoses and sprinklers.
- Sweep driveways, sidewalks and patios.
- Straighten deck furniture and open umbrellas.
- Clean grill and remove cover.
- Clean pool area.
- For extra appeal, fill planters with flowers and spread fresh mulch.

INTERIOR

- Remove piles of newspaper and magazines.
- Make sure all light bulbs work and that grouped lights are the same color/type.
- Turn on all interior lights including lamps
- Turn ceiling fans off.
- De-clutter rooms which may be excessively furnished.
- Hide any moving boxes in the garage.
- Remove personal photos if desired.
- Turn off televisions and computers.
- Vacuum carpets and sweep hard floors.
- Remove pet toys, dishes, beds, cages etc.
- Wash windows, glass doors, etc.
- Open all shades and blinds.
- Hide trash cans.

KITCHEN

- Place trash cans out of view in a closet or cupboard.
- Remove magnets, photos, notes and papers from the refrigerator.
- De-clutter stove and counter tops.
- Remove any rugs or mats. This makes the space appear larger.
- Stow away small appliances.
- Hide soaps and other cleaning items.
- Hide dish towels.
- Clear sink of dishes.
- Put away draining racks.
- Organize open shelves.

LIVING ROOM & FAMILY ROOM

- Hide all remotes.
- Conceal exposed cables as well as you can.
- Remove excess throw blankets.
- Straighten any decorative pillows.

PETS

- Pets should be taken on a walk or well hidden for the photo shoot.
- Pets in the backyard will generally be seen from the inside.
- Pet toys, beds, and bowls should be hidden

BATHROOMS

- Make the bathroom sparkle.
- Hang fresh towels or remove all towels if not pleasing.
- Remove all bath mats.
- Clear counters of all toiletries.
- Clean mirrors.
- Close toilet lid.
- Remove shampoo and other products from shower/tub.
- Remove floor scales, trash cans, and laundry hamper.

BEDROOMS

- Make beds.
- Arrange decorative pillows
- Put away clothing, shoes, charging cords, catchalls etc.
- Clean under bed.
- Clear surfaces of all clutter.

POOL

- Remove pool hose.
- Turn on water features.
- Remove all children's toys, floats, etc.

PEOPLE

- Hiding from the camera is impossible; please keep the number of people present during the shoot to a minimum.
- Contractors should be scheduled on other days.
- Remaining people should retire to a bedroom while the home is being photographed.
